25X1X

1. In mid-April 1947, the main Labor Office in Dresden was requested by a Czechoslovak government agency to assign eight hundred German girls as farm laborers in Czechoslovakia.
2. Since the Labor Office knew of no regulations concerning the forced draft of German workers for Czechoslovakia, it asked the SMA Dresden for instructions. The reply was that the Czechoslovak request should be fully complied with.
3. The fear is expressed that there may be repetitions of this incident.
